Good communication and collaboration skills

PERSONAL PROJECTS

Sangeet Web Player

- Developed a fully functional web player website using HTML, CSS, and JS
- Utilized Google Sheet APIs to fetch and update data from the backend server

AI Mental Fitness Tracker

- Developed an AI Mental Fitness Tracker, leveraging my programming skills and knowledge of artificial intelligence techniques.
- Incorporated data visualization techniques to present the information in a user-friendly manner, such as graphs or charts that depict emotional trends and patterns.
